Prague, February 3, 2009

Dear Mr. Horáček,

Based on provided information, which is at our disposal, we have no objections to eligibility of the company Sumec Group Corporation (China) (brand/product name Feida and Phonosolar) as potential supplier of PV panels for photovoltaic projects at the present.

Please note that any commitment to the eligibility would be subject to satisfactory contractual documentation, analysis of the respective project and final credit approvals.

Best regards,

A handwritten signature in black ink, appearing to read 'Magdalena Malaníková', is written over a horizontal dashed line.
